Protective Garments

FLAME PROOF

No. 718

"SAF-T" Utility Sleeves

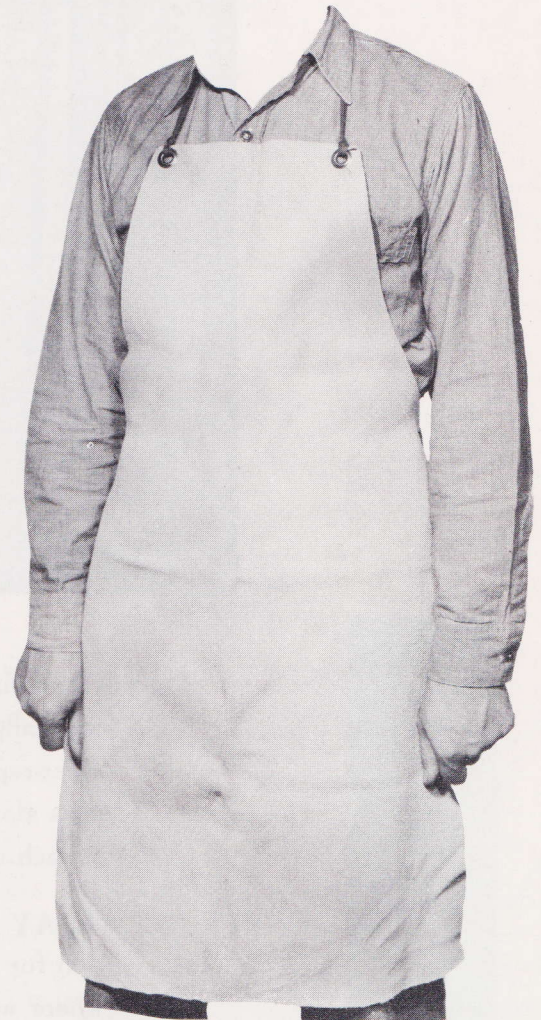

These are made of heavy durable duck — flame-proofed 18" long.

No. 724-30

"SAF-T" Utility Apron

of Flame Resistant Duck. All Sizes available.

No. 724-36

"SAF-T" Utility Apron

These are suitable for workers on light welding projects. Made of flame-proof heavy duck, they give excellent protection. Size 24"x36" and all other sizes as listed on Price List Series "O."

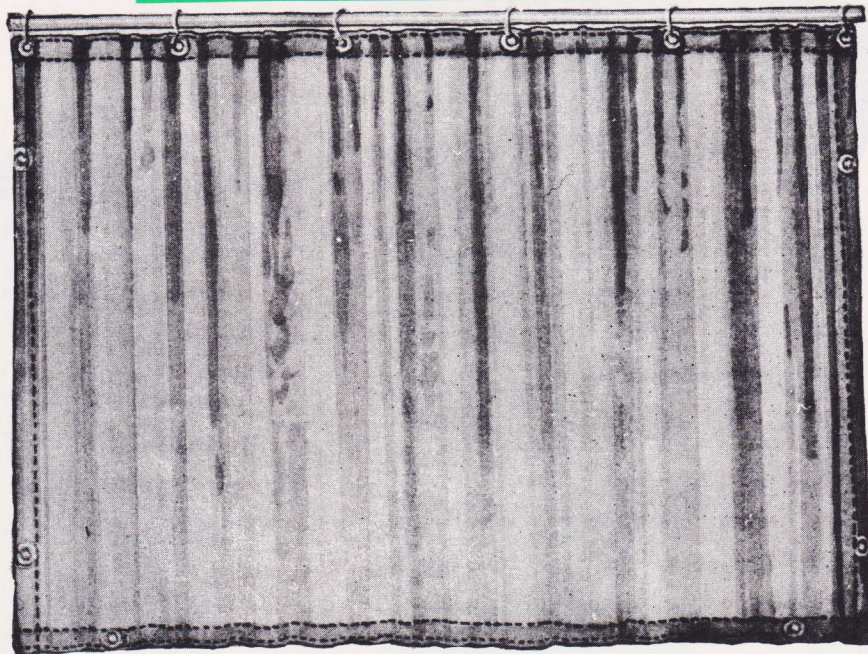

All items are listed in Price List, Series "O."

Curtains AND Blankets

for Welding Plants and Industrial Uses

**MADE OF FLAME PROOF DUCK
ALSO MADE OF ASBESTOS**

These fine quality curtains of heavy duck are especially treated so they are flame-proof and water-repellant. They are equipped with grommets along the hanging side and one grommet in each corner.

ALJAY "SAF-T" Curtains are splendid protection for welding booths and to prevent eye glare where workers are exposed to welding. Made in any size that may be required.

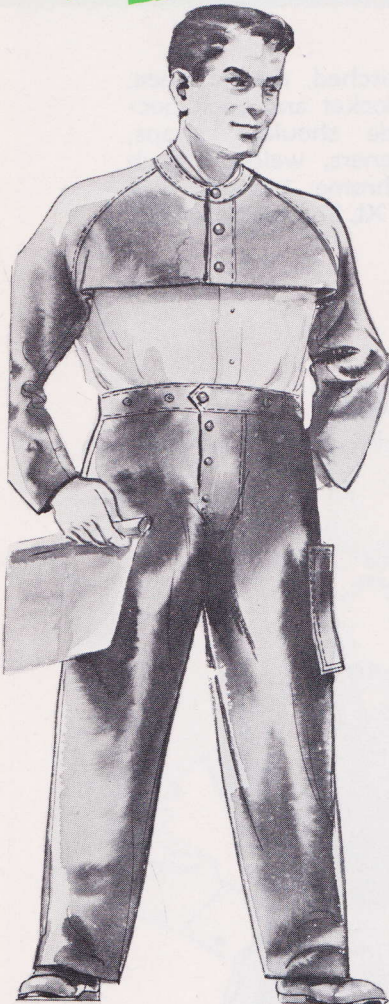

Color: Olive drab.

**ALSO MADE OF ASBESTOS — UNDERWRITERS
GRADE 2½ POUND.
Made in Any Size Desired.**
